

AZUL PACÍFICO

Salinas – Anconcito

Are on their way to becoming one of the most sought after tourist and residential destinations on Ecuador's coast

A major trend is starting as many elements come together. These are exciting times!

Likely you know about the airport, the roads, the mall, the medical care facilities; you know about internet availability, communications, transportation, the food, the culture, the appreciation potential and the many other elements tourists, sun-seekers, expats and investors will look for.

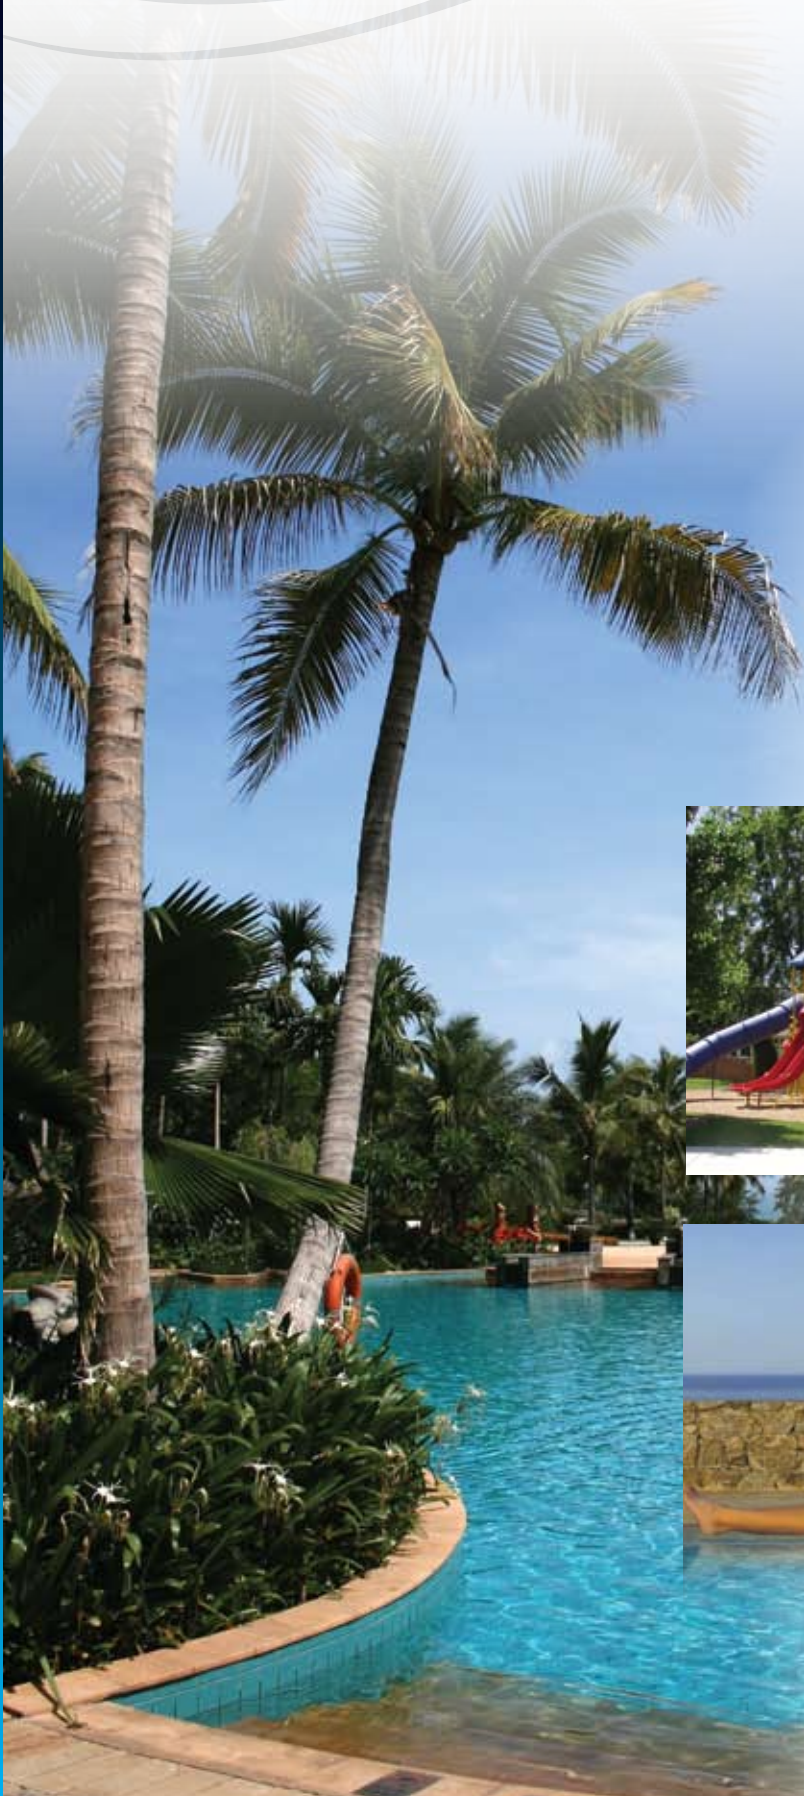

But there is much more to the story..., and it gets better.

AZUL

We want to introduce you to **AZUL PACIFICO RESORT & RESIDENCES**, a signature project that will further put Salinas – Anconcito* in the crosshairs for international tourists, investors and those seeking summer homes or a place to relocate permanently.

Sprawling over 50+ acres of landscaped ocean front grounds, Azul Pacifico Resort & Residences will have 380 condos with expansive ocean views; its residents and guests will enjoy the privilege of resort amenities such as spectacular swimming pools, winding pathways through parks and children's playgrounds, a restaurant, a gym and a spa, a library, a mini-market, concierge service, internet access and much more.

*Anconcito is a parrish of Salinas County, just 15 minutes distance from Salinas, via a spectacular coastline with crashing waves and stunning sunsets!

AZUL

Location, Location, Location

If in tourism and real estate location is key, then the site for **Azul Pacifico Resort and Residences** is as good as it gets. With spectacular terraces flowing towards three private secluded beaches, with breathtaking rock formations and crashing waves, with perfect sunsets, a soothing southerly breeze and an inspiring story to boot, the site for Azul Pacifico has it all.

Timing.... A Time of Opportunity

The timing is just right as international interest in Ecuador is steadily growing.

This is especially true for tourism and real estate in the Salinas region where we anticipate a major trend.

As a statement project of high standards, with a creative powerhouse team, **Azul Pacifico Resort & Residences** will help make of Salinas – Anconcito one of the shiniest beacons for coastal tourism and real estate in Ecuador.
